These can be some of the steps for the Volunteer Assignment Description on page 9-10:

- Recruit, Train, Manage, Track Volunteers
- Create Volunteer Assignments
- Train Trainers, Direct Service Providers
- Develop Train the Trainers Curriculum
- Public Speaking, Develop Media kits, Press Releases
- Develop a Speakers' bureau
- Research & Secure Funding for Project
- Organize Fundraising Events
- Grant Research, Write & Submit Grants
- Develop Marketing and Conduct Outreach
- Organize Task Forces
- Develop Community Partnerships
- Develop Templates; Brochures, Handbooks, Manuals
- Secure Partners; Develop Databases, Web Sites, Social Media Accounts
- Create Infrastructure
- Create Evaluations Tools
- Complete Research
- Develop or Enhance Healthy Food Security Opportunities
- Develop Out of School/After School Safe Places

Please contact me if you have any questions or if you may be interested in applying to become a Host Site. I will assist you in completing the required documents.

All Promise VISTA Site Projects must be developed in accordance with **AmeriCorps VISTA's core principles:** an anti-poverty focus; community empowerment; sustainable solutions; and capacity building. Please describe below how your VISTA will fulfill each.

Anti-poverty focus:

Community empowerment:

Sustainable solutions:

Capacity building:

Need: In this section describe the unmet poverty-related community need(s) you propose to address using an AmeriCorps VISTA resource(s), answer each bullet question below.

Future Goals of Accomplishments (State your need): Short Summary of what plans to be accomplished by the VISTA in the upcoming project year. Answer each bullet below

- Clearly state in measurable and quantifiable terms the specific poverty-related need(s) identified by the community(ies) that the VISTA project will address,
- State the number of low-income people directly affected by the problem(s).
- State how the planned program strategy (i.e., intervention) will lead to the final planned outcomes for the beneficiary community.
- The community you plan to serve, using data that is current, and specific to the community. These data should substantiate the need(s) you aim to address. Cite the data source(s).
- The specific low-income population your project intends to serve.
- If your program will operate at multiple sites, demonstrate a need in each community you propose to serve.
- Why the needs are not being met now.
- A summary of how your project will ultimately strengthen the community and bring individuals out of poverty.

Need:

Future Goals of Accomplishments:

Strengthening Communities: Describe how your VISTA aims to complement or expand current efforts in the community to address the need(s) described. Your response should encompass the following:

- Describe current activities your organization and other organizations are undertaking to address the problems identified in your need statement.
- Describe how the proposed project will complement this work.
- Describe how the new or enhanced programming created by your project will address the needs of

the community and bring individuals and, ultimately, the community out of poverty.

- How will you involve the community to ensure the sustainability of the proposed project? Include a description of how the project will be designed to build long-term sustainability in an organization or program to ensure it continues after VISTA resources end.
- A discussion of how this approach will change over time as the VISTA(s) implements the project and build capacity.

Strengthening Communities:

Organizational Capacity: Detail your organization's capacity to manage a VISTA member, including information that addresses the following issues:

- What is your organization's experience/capacity to manage the proposed project including previous experience working with community volunteers and/or national service participants?
- Will your organization be able to provide the member with office space, computer/internet access, phone access, supplies, etc. in order to meet their VAD?
- What other resources (cash and in-kind) are available to support the project?
- What community partners will be engaged with the project and what will be their roles or contribution?
- If your agency is currently receiving other CNCS resources, specify which program and the number of members or national service participants. Also identify your intended plan for using the various CNCS resources to enhance the VISTA activities if applicable.
- If your organization has previously had an AmeriCorps member(s), please include a brief description of their assigned activities.
- Describe how you will manage and supervise the VISTA member(s).
- Explain how the VISTA member will be reimbursed for any service-related mileage or project-related expenses. What will be the mileage reimbursement rate?
- Describe you plans to assist the VISTA with housing. Please include any other relevant information regarding VISTA support expenses.
- Please provide a statement that your organization is able to provide a (\$5,000) Admin Fee per VISTA resource?
- Briefly describe your organization's plan to provide day to day supervision, oversight and training to your member(s). Include the direct supervisor's name and title. Also include a brief description of the on-site orientation (On Site Orientation Training) for your member(s).

Organizational Capacity:

Project Management: Describe your plan for providing daily supervision to the VISTA member(s) assigned to your Site. Include the following information:

- Name of the supervisor(s), indicating whether supervision will be a part- or full-time responsibility
- Is the site supervisor committed to meeting with the site VISTA at least once every week for 30 minutes for supervision, direction, work plan development, quarterly reporting progress and feedback?
- Strategies you aim to ensure members are prepared for their assignments and the ongoing support you will provide

- Plans for monitoring member(s)' progress in meeting the duties listed in their VISTA Assignment Description (VAD) relative to the project plan.

Also the Project Management narrative must address community involvement and assessment of performance, and address project sites and collaboration with other CNCS programs.

- Community involvement –Describe how you will ensure that the low-income community has input in your VISTAs roles, execution of the project, and ongoing support.

CNCS programs - describe how you will collaborate with other national service programs (RSVP, Senior Companions, Foster Grandparents, or AmeriCorps State/National)

Project Management:

Recruitment and Development: describe the following:

- Your organization's methods for recruiting qualified candidates.
- The skills your VISTA should bring to the position(s) to have a successful year?
- How your organization would provide reasonable accommodations to VISTAs with disabilities.
- The service-related transportation needs of the position. Service-related transportation is travel outside of the member's daily commute. Is it necessary for the candidate to have a privately-owned vehicle or is the position accessible via public transit or does the position require use of an agency vehicle? How far might the VISTA travel on a monthly basis for service-related commitments? What is your organizations' reimbursement process for service-related travel?
- Whether your organization has the capacity to provide additional incentives, such as housing assistance. If so, provide detailed information to determine if the incentives are allowable based on VISTA regulations.
- The plan for on-site orientation of VISTA member(s) to your organization and the community within the first month of service. Describe any training opportunities, technical assistance, and conferences that would be available to members throughout their service. West Virginia's Promise has an OSO you may opt to use, please make a note here if you wish to have a copy.
